## Rules of U3A Batemans Bay Inc.

(To be read in conjunction with the Constitution)

As an organisation U3A Batemans Bay (U3A BB) seeks to capitalise on the skills and experience of our membership and other expertise in our neighbourhood. We also wish to capitalise on our unique coastal environment and its proximity to the nation's capital with its wonderful institutions. We are a not-for-profit organisation that relies on volunteers to fulfil every role within it.

These Rules have been developed to provide advice, guidance, and practical help to our committee, our tutors and our members in coordinating and participating in the myriad of activities that are our U3A.

If any committee position are not filled, the duties will default to the President.

### 1. Activities

- 1.1 The principal activity of U3A BB is the arrangement of courses on topics of interest under the guidance of tutors. If a non-member volunteers to run a course, they will be given Associate Membership for the duration of the course.
- 1.2 Courses may be of any length agreed by the Tutor and the appropriate Course Coordinator. As far as possible courses are to be held during daylight hours.
- 1.3 The U3A year is divided into two semesters, each with two terms. U3A BB follows the NSW school calendar but commences on the Monday of the first full week of the school year and finishes on the Friday of the last full week of the school year.
- 1.4 In general, no qualifications are required to join a course. Some courses, mainly continuing language courses, have prerequisites which members must meet before being able to enrol. Other courses may require members to have attended a previous course. No examinations are held on any topics, however, depending on the course, members may be expected to undertake tasks between meetings.

### 2. Approval of Courses

- 2.1 New courses, excluding Wine Appreciation Groups (WAGs) and Book Groups are to be developed through consultation between the Tutor and Course Coordinator 2 (CC2) [cordinator2.u3a.bb@gmail.com](mailto:cordinator2.u3a.bb@gmail.com).
- 2.2 Course Outline Forms are obtained from and submitted to CC2. If there are any doubts about the suitability of a course, the proposal will be discussed by the Committee.
- 2.3 Where the numbers attending a course diverge from the minimum and maximum numbers set out in the course outline, the tutor must advise the relevant Course Co-coordinator as soon as practicable so that any action deemed necessary may be taken.

- 2.4 If tutors wish to vary the content of the course or depart from the agreed times, duration, venue or other particulars set out in the course outline, they must advise the relevant Course Coordinator before making any changes.
- 2.5 Costs incurred by tutors for materials or equipment to be retained by U3A BB for future use may be reimbursed by the committee provided the approval of the Committee is obtained prior to the expenditure being incurred.
- 2.6 Any requests for such equipment must be in writing and accompanied by two quotes.
- 2.7 Costs incurred by tutors for materials to be retained by participants, for example handouts, should be recouped from participants. Such costs, or an estimate, must be advised to participants in advance via the website entry.
- 2.8 Costs incurred by tutors for the making of resources to be retained by the tutor for use in future sessions or with future classes may be recouped from the committee each term up to a limit to be advised. Tutors who intend to make such resources should first discuss this with the Course Co-ordinators.
- 2.9 The management of Books Groups and WAGs is the responsibility of the person appointed by the committee as Book Group Coordinator and WAGs Coordinator respectively, who will work co-operatively with Course Coordinator 1 (CC1) to ensure that these activities are carried out in accordance with U3A BB policies and procedures.
- 2.10 U3A BB is to be at all times non-political and non-sectarian in its provision of learning opportunities.
- 2.11 U3A BB does not provide professional advice on health, finance or other matters requiring professional expertise and input.
- 2.12 The committee reserves the right to cancel any course or other activity found not to be consistent with the aims, objectives and Rules of U3A BB or inconsistent with what was documented in the course outline and the online entry.

### **3. Tutors**

- 3.1 Tutors include group leaders or other persons with responsibility for convening a course or activity.
- 3.2 Where it is necessary for a substitute tutor to take over the course for one or more sessions CC1 must be advised. Failure to do so will negate any insurance cover for that activity.
- 3.3 Tutors may not enter into any arrangements with a person or organisation external to U3A BB without first consulting the relevant Course Coordinator.
- 3.4 Tutors must maintain an attendance record for each activity for insurance purposes. These records must be initialled by the member at each attendance. Without this evidence, any insurance or other claims against U3A are likely to be refused.

- 3.5 A Tutor Handbook containing information on Tutor responsibilities is available under Forms and Resources on the website.
- 3.6 A Tutor Forum will be held annually to enable tutors to be updated on U3A policies, processes, and activities, and to provide opportunities for them to interact with each other and the committee. Informal Tutor Chats will be held as the opportunity arises.
- 3.7 The committee may fund training for tutors in areas such as learning styles and techniques and use of technology. Tutors will not be funded to gain specialist qualifications from any external training organisation.

#### **4. Events and Excursions**

- 4.1 Events or excursions arranged for members of U3A BB must be arranged in consultation with the Special Events Coordinator and follow the guidelines set down in the Special Events Policy.
- 4.2 Where costs are to be incurred, the organiser will prepare a budget, determine the minimum number of participants to enable the costs to be recouped, and submit these to the committee through the Special Events Coordinator. Approval must be obtained prior to incurring any expenditure.
- 4.3 Arrangements may not be finalised until payment has been received from the approved minimum number of participants.
- 4.4 U3A BB expects that the organiser will make all reasonable attempts to cover the budgeted costs. If a shortfall is likely to occur despite these efforts, the organiser must advise the Special Events Co-ordinator so that the committee can decide whether the event should proceed.
- 4.5 Where participants use carpooling to travel to an event, they are expected to share the travel costs. U3A BB will not be liable for any unforeseen costs arising from such travel.
- 4.6 The Special Events Coordinator will ensure compliance with the Special Events Policy, health and safety requirements, and the Rules relating to activities.
- 4.7 Attendance sheets are to be given to the Course Coordinator and any monies received are to be receipted and banked, income documented, and expenses receipted and given to Treasurer.

#### **5. Reimbursement for Occasional Speakers**

U3A BB may engage the services of an occasional speaker to talk about a topic of interest to members. This may take the form of a regular Saturday Talks session or other format agreed by the committee. Reimbursement for such speakers will be as set by the committee.

### 6. Equipment

- 6.1 The storage and management of equipment, such as projectors and other devices, (including peripheral tools such as screens and audio equipment), will be overseen by the person appointed by the committee as Equipment Manager.
- 6.2 Equipment owned by U3A BB may, as a general rule, only be used by U3A members.
- 6.3 Where appropriate, and where it does not impact on U3A activities, at the discretion of the committee equipment may be lent to other community organisations which share our goals. A U3A member should be present at any events at which U3A equipment is used.
- 6.4 Equipment provided by U3A BB for any activity remains the property of U3A BB and must be returned at the conclusion of the activity, or as arranged with the Equipment Manager.

The Equipment Manager must consult with the Treasurer, who will consult with the committee, if necessary, before incurring any expenses for maintenance of equipment.

All requests from tutors for the purchase of equipment should be submitted in writing to the relevant Course Coordinator, who is authorised to approve modest expenditure as set by the committee.

- 6.5 The IT Subcommittee is responsible for the selection and purchase of all electronic equipment.
